WEAPONS OF WARFARE USING WHAT GOD GAVE US FOR GOOD

by Ronnie E Cooper

2Co 10:4 For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds,

Life: And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Liberty: And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

Property: And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed... And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it.

The simplest things, the most basic values God gave us are life, liberty, and property. Use them wisely or lose them. Compare all other values to these and we will make wiser choices. Watch what we wish for, we may get it fully formed and filled with its consequences.

Life
If anyone asks themselves, "Have I lived a Godly life", then they are

considering eternal life with God? If they choose death, then we are at the end of many sinful choices that lead to death: covertness, drugs, adultery, murder, false gods, self hate, hate for others, lack of true humility, poor food or health choices, abortion and its guilt, lots of comfort foods, gambling, etc. Generally, they may love things over the true love of people and God.

Choose life and the Godly Life for eternity.

Liberty
If we don't value our God given liberty, we then enslave ourselves, seek any friendship, enjoy parties, give our vote for more free stuff and higher taxes, and give our enemies more abilities and capabilities while removing our own. God given liberty must be understood as not given by government, but protected by Godly government. It is fragile.

Choose liberty in Christ.

Property (which allows the pursuit of happiness)
If we don't value our property, give it to people who also don't value it or to government. Thieves don't want to work for our property; they only want to take it for themselves. Governments want

The Wonder of it All: All Creation Sings

By Mark Jurkovich

Have you ever noticed that the Bible not only calls people to praise the Lord, but even animals and inanimate objects as well? In fact, there are over a dozen references to different parts of God's creation giving Him praise.

There are the heavens, earth, mountains, valleys, hills and forest singing. (*Is 44:23, 49:13, 55:12 Ps 65:13, 66:1, 98:4*)

Mount Zion, other hills, heaven, earth, trees and even morning and evening rejoice. (*Ps 48:11, 65:8,12, 96:11, 97:1, 96:12, 98:4*)

There is also joyfulness and joyful shouting by the earth, hills, valleys and fields. (*Is 49:13, Ps 65:13, 66:1, 96:11, 98:4,8*)

There are also the islands being glad (*Ps 97:1*), mountains, hills and cedars skipping (*Ps 29:5, 114: 4*), even trees and rivers clapping their hands! (*Ps 98:8, Is 55:12*)

When it comes to animals we see that lions and sea creatures, including Leviathan seek their food from the Lord (*Ps 104: 21-27*). Also the beasts of the field (including dragons! (*KJV*)) will honor Him. (*Is 43:20*)

Of course we also have our Lord Jesus saying "I tell you that if these should keep silent, the stones would immediately cry out." (*Lk 19:40*)

This is more than just simple allegory or anthropomorphizing, for there are several instances where an inanimate object is told to praise the Lord, immediately followed by instructing people to praise Him. For instance, *Ps 33:8 "Let all the earth fear the LORD; Let all the inhabitants of the world stand in awe of Him."* and *Ps 48:11 "Let Mount Zion*

rejoice, Let the daughters of Judah be glad".

The crowning passage is Psalm 148 where the psalmist goes through all creation, instructing each part to Praise the Lord. It is divided into two sections; the first part instructing the heavenly creations to praise him. The sun, moon, stars, "heavens of heavens", and "waters above the heavens" are all instructed to praise

Him along with the angels and hosts of heaven. Then the second section instructs his earthly creations including the creatures of the sea, beasts, creeping things,

birds, trees, mountains, even fire, hail, snow and wind are all told to praise the Lord along with mankind. "Let them praise the name of the LORD, For His name alone is exalted; His glory is above the earth and heaven." (v.13)

If all creation is instructed to praise the Lord, surely our response should be to whole heartedly join in that praise.

"Let everything

that has breath praise the LORD." (*Ps 150:6*)

(Continued from page 1)

power, so they tax to make themselves popular. Each tax "gives" us more expensive "services" that we "need" or want. The ultimate goal of earthly government is to give us everything they say we need and take everything we have. In other words, we work for nothing, earn nothing, and are at the mercy of the government masters. We have no private property. We control nothing. At best we rent from the government and pay the tax collectors everything.

Choose "pursuit of happiness", for without private earned **Property**, how can we be happy?

**LET HEAVEN AND EARTH
PRAISE HIM,
THE SEAS AND EVERYTHING
THAT MOVES IN THEM. (Ps 69:34)**

**ALL YOUR WORKS SHALL PRAISE
YOU, O LORD, AND YOUR SAINTS
SHALL BLESS YOU. (Ps 145:10)**

Values Defeated or Protected by Warfare

by Ronnie E Cooper

2Co 10:4 For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds,

1Ti 1:18 This charge I commit to you, son Timothy, according to the prophecies previously made

concerning you, that by them you may wage the good warfare,

2Ti 2:4 No one engaged in warfare entangles himself with the affairs of this life, that he may please him who enlisted him as a soldier.

All Christians are involved in warfare or they forfeit, by not defending, their life, liberty, and/or property.

AIG's Ark Encounter opens in Williamstown, Kentucky July 7!

By charlieliebertblog

Because of my close relationship with Ken Ham and Answers in Genesis this week's blog is devoted to Noah's Ark and the Flood. The full sized Noah's Ark in the "ARK ENCOUNTER" will open July 7 in Kentucky. In the area? Also, visit the Creation Museum. Both are part of Answers in Genesis.

We'll start with the Flood's chronology. The flood began in 2348 BC or 1656 years after creation. This dating is from "The Wall Chart of World History" published by Barnes and Noble (ISBN: 0-88029-239-3). Chronology of the Flood of Noah

<u>Bible Verse</u>	<u>Events</u>	<u>Day</u>
Gen7:14	Rainfall Begins	Day 1
Gen7:12	Rain stops	Day 40
Gen7:24	The waters prevailed 150 days.	
Gen8:3	Water begins to recede	Day 150
Gen8:5	Mountaintops exposed	Day 224
Gen8:6	Raven sent out. Did not return	Day 264
Gen8:7	Dove sent out, returned.	Day 271
Gen8:10	Dove brings back olive branch.	Day 278
Gen8:12	Dove sent out, did not return.	Day 285
Gen8:13	Cover removed from the Ark	Day 314
Gen8:16	Noah leaves Ark	Day 371
TOTAL DAYS		371

The waters of Noah's Flood came from two sources, in addition to the water already on the surface of the Earth. First, the windows of heaven were opened. Some creationists believe this is the collapse of the water vapor canopy that God created on day two. Second the fountains of the "great deep" were opened on a single day. This massive release of subterranean water causes the tectonic plates to move and creates the erosion that will make the fossil record. The plate movements caused very deep ocean basins, and the water ran into them after the flood ended. If the Earth were perfectly smooth ... The Virtue Behind the Science

By Tysan Lerner, Epoch Times Staff, Reprinted from The Epoch Times, January 7, 2010, issue.

When Benjamin Franklin was 20 years old he began documenting when he would fail to behave according to the standard he had set for himself. These standards were comprised of 13 virtues. He carried out the practice of documenting his behavior for the rest of his life, which he later publicized in writing (when he was 79 years old). Many are inspired by this great inventor's ability to map and plan out his goal toward self-mastery.

The 13 Virtues, As He Wrote Them, Were:

1. Temperance: Eat not to dullness and drink not to elevation.
2. Silence: Speak not but what may benefit others or yourself. Avoid trifling conversation.
3. Order: Let all your things have their places. Let each part of your business have its time.
4. Resolution: Resolve to perform what you ought. Perform without fail what you resolve.
5. Frugality: Make no expense but to do good to others or yourself: i.e. Waste nothing.
6. Industry: Lose no time. Be always employed in something useful. Cut off all unnecessary actions.
7. Sincerity: Use no hurtful deceit. Think innocently and justly; and, if you speak, speak accordingly.
8. Justice: Wrong none, by doing injuries or omitting the benefits that are your duty.
9. Moderation: Avoid extremes. Forebear resenting injuries so much as you think they deserve.
10. Cleanliness: Tolerate no uncleanness in body, clothes, or habitation.
11. Chastity: Rarely use venery but for health or offspring; Never to dullness, weakness, or the injury of your own or another's peace or reputation.
12. Tranquility: Be not disturbed at trifles, or at accidents common or unavoidable.
13. Humility: Imitate Jesus and Socrates.

Benjamin Franklin's tracking play was carefully mapped out so that he could focus on one virtue per week. Since there were 13 virtues it would take him 13 weeks to get through all vir-

tues. At the end of 13 weeks he would start from the beginning again. This worked out so that he was able to track each virtue four times per year.

At the start of this plan, his charts were filled with dots that he would place under each day that he did not accomplish his behavioral goal. As time went on, however, Franklin improved and his charts became more and more free of dots.

According to traditional Chinese philosophies, one will not be healthy without improving the mind and heart. We all could make resolutions to improve our financial situation, and physical looks, and personal wellness until we are blue in the face, but without making fundamental changes in our hearts and minds, we will get nowhere.

If that is the case, then perhaps this year we can begin to think about what it really is that we need to resolve to do. We are facing sweeping economic crises, a spreading of disease epidemics from H1N1 to obesity, and chronic terrorist attacks. We have to ask ourselves, what is really important? Perhaps three out of four people fail to keep their New Year's resolutions because they are not digging deep enough. Once one is moved to change for other's well-being rather than their own, or to change based on principal rather than emotion and desire, one may actually be able to follow through with improvement each step of the way until their last day.

Kids Korner

Hey, kids, TJ here. Have you ever tracked lions, tigers, or bears, oh my?! Well, there's a group of young kids, missionary kids, (MK for short) who recently tracked the trail of the Tasmanian Tiger in Papua, New Guinea. Over a period of 3 years, they looked for animal tracks, scat, evidence of a feeding grounds, and testimony from the local villagers. They climbed steep mountains, discovered a massive waterfall, uncovered the beauty of misty mountains (there's a lot of mist on top of them), and walked through some river rapids. These tigers are hard to spot since they don't hang around people. They're like a small dog in size and appearance, and, they eat small prey in the jungle. So, they decided to hike a very steep trail and look for

evidence of their existence. Bammm! They're alive! So, they set up remote cameras to get a shot at one of them on the mountain trail. Since the mountain was a good day's walk from their home, they decided to camp overnight. Just before bedtime...one of the MK's, Hudson, took a final stroll around the campsite to look for the elusive tiger. Lo and behold, when he looked deep into the jungle, a set of green eyes were staring back at him. The next day, they returned to the camera to gather the footage to see if indeed the tiger was there.

Well, kids, I gotta tell ya, this story was a nail biter. I was on the edge of my seat the whole time. You know, it seems that...OK,

OK, I'll get back to the evidence. Had ya going for a while, didn't I? Are you on the edge of your seat just waiting, and waiting, and...waiting for the results? The evidence on the camera confirmed the existence of the Tasmanian Tiger. The natives call it, "Mbakngge." Whatever it's name is, when one sets out on a discovery, you can count on a few things happening. First, you'll find some-

thing. Second, you'll uncover facts and information that you previously were not aware of. Third, it (the discovery) will deepen your understanding, knowledge, and respect of what you're trying to uncover. Lastly, you'll come to conclusions that are either new or just confirmed through your search.

Want to see the entire search for the Tasmanian Tiger and get all of the details about their search and discovery? Get the WILD BROTHERS, Tiger Trail, DVD through Answers in Genesis, available through Arky's Bookstore. Want to learn more about the God who loves you and gave His life for you so that you could live forever in Heaven? Read the Good Book, the Bible. Talk about stories! Wow! The excitement is everywhere throughout God's Word! Well, that's all for now. Until next time, kiddies, TJ over and out.

***Jul 11**, 7:00 pm to 8:35 pm. **DVD: Faith of our Fathers** with Jeremiah Films at ARKY's House. This film takes a look at how our understanding of church and state relations has changed over time due to Supreme Court decisions and cultural pressures. From Everson vs. Board of Education to the most recent decisions over displays of the Ten Commandments, such interpretation are explored in comparison to our nations founders' original intentions.

***Aug 8**, 7:00 pm to 8:35 pm. **DVD: Age of Creation** with Bruce Malone, at ARKY's House. Lesson Six in Bruce's series, "The Rocks Cry Out". These rival a National Geographic Special. The belief in billions of years of earth history implies that death, disease, bloodshed, and extinction have been around long before mankind appeared. If this were true, death is not really the penalty for mankind's sin and God is the "author of death". This lesson examines exactly how dating methods work, why they give false results, and climaxes with a tour through a typical science and history museum which all too often are simply promoting non-biblical beliefs disguised as science. Set available at ARK's for \$74.95.

***Sep 12**, 7:00 pm to 8:35 pm. **DVD: Made In His Image** Set from ICR with Dr. Randy Giulizza, and others at ARKY's House. Series on the complexities of the human body. Featuring medical, engineering, and other experts. This will fascinate audiences with mind blowing facts, dazzling imagery, and unforgettable illustrations. Episodes: The Miracle of Birth, The Marvel of Eyes, Uniquely Human Hands, Beauty in Motion. Includes Viewer Guide.

***Oct 10**, 7:00 pm to 8:35 pm. **DVD: What You Aren't Being Told About Astronomy, Volume 3** with Spike Psarris, at ARKY's House. Our Universe: What is its origin? Did it form in a Big Bang event billions of years ago? Or are the heavens consistent with the

Biblical account of creation instead? The Big Bang is a popular creation myth within western culture today. Not only is there abundant scientific evidence against the Big Bang, the model contradicts itself, and has absurd implications. An objective evaluation of the evidence does not support a self-creation of the cosmos; instead, the heavens declare the glory of God.

***Nov 14**, 7:00 pm to 8:35 pm. To Be Determined.

***Dec 12**, 7:00 pm to 8:35 pm. with TBD at ARKY's House.

Review of 21st Annual Ark Banquet with AiG's Dr Terry Mortenson

By Mark Jurkovich

At the banquet, Dr. Mortenson gave a sobering history of how the idea of millions of years gained traction in western civilization. It was gaining steam for more than a hundred years before Darwin figured a way to apply it to biology. Dr. Mortenson provided a list and short description of the early proponents of millions of years. Some held to a uniformitarian view such as Hutton and Lyell. Others recognized past catastrophic processes, but within a millions of years framework. None of these early proponents were Christian. They were either deists, vague atheist, or even open atheists. That may not be so surprising, but what is surprising is they did not base their theories on science, but rather debated based on world views. The battle was not on the level of facts, but of assumptions. (And dare we say still is.)

There were a number of Biblical Creationists who saw plenty of scientific evidence in support of the Bible. But most Christians bought

the lie that you need to study geology with the 'neutral' naturalistic assumptions and explanations. The long agers were claiming that their way of looking at things was unbiased (which it is not) and Christians bought it, and still largely buy it.

Sadly, many of our great theologians of the day also bought the lie and compromised on the first chapters of Genesis. These otherwise Godly men opened the door that quickly lead to more and more compromise. A succession of Princeton Seminary heads compromised which quickly led to it's becoming liberal. Even Charles Spurgeon and C.I. Scofield bought the lie. Scofield's reference Bible on Genesis 1:2 even referenced the gap theory.

The infection continues to spread including into (former?) bastions of conservatism such as Wheaton and Calvin College. "If the foundations are destroyed, What can the righteous do?" (Ps11:3). Pray for the theologians and leaders in our Christian colleges; pray that they will listen to the Creation Scientists and stand firm on the truth of the whole Bible.
